

Columbia County Year of Wellness 2016

BE WELL, LIVE WELL

Columbia County Commissioners Proclaimed 2016 Year of Wellness: This is a collaborative approach among Tillamook, Clatsop and Columbia County in order to learn more about what we can do to improve health of our community.

The Goal:

Establish a Task Force to empower the community to increase opportunities for healthy lifestyles through community initiatives, environmental changes, and formulate platforms for policy and systems change.

I'm on board!

PARTICIPATION FORM
