

# *Tillamook County Community Advisory Council*

*Wednesday, June 24, 2020 3:00 -4:30 pm*

## **AGENDA ITEMS:**

Meeting called to order at 3:01pm by Chair. No quorum so we deferred approval of minutes to later.

**CODA:** Liberty Bell Martinez presented information about CODA, the opiate treatment program housed in Seaside; it serves Tillamook County residents.

**IA update:** Joell provided updates from OHA, particularly on COVID19. Numbers continue to rise and the Latinx population is being disproportionately affected. We now have 600 trained contact tracers statewide. Beware of scammers posing as contact tracers. Tonya Brown is now a trained contact tracer; they trace only illness-related information, not things that would compromise privacy. Blanket testing in long-term care facilities is starting for any facility with over five beds.

**SOAR:** Reviewed the Aspirations statement and discussed equity.

**New business/Announcements:** Reviewed and approved minutes from last meeting, as we had a quorum. In July, we will be cutting back to one meeting per month, for 1½ hours. We will block out two hours for our agenda to give us room in case we run over time.

Meeting ended at 4:30pm.

## **Rapid Feedback Results for June 24, 2020: CODA Presentation**

Objectives:

- 1) Create process to collect qualitative and quantitative data to identify effectiveness of community advisory council agendas and related activities.
- 2) Create opportunities for advisory council members to share views and experiences related to health and the health care system.
- 3) Have an average score of 4 (quite a bit) in the four categories of evaluation (value of session, practical application, knowledge gained, enough opportunities to share my views and ask questions)
- 4) Use information gained to reflect on findings, brainstorm ways to refine advisory council best practice framework process and to quickly implement changes.
- 5) Use information gained to inform the CPCCO Board of Directors of member advice and experiences of health and the healthcare system.

<b>June 24, 2020 3 responses</b>	Category	Average Score
--------------------------------------	----------	------------------

	Knowledge Gained	4.67/5
	Value of Session	4.33/5
	Practical Application	4.67/5
	Enough Opportunities to Share my Views and ask Questions	4.33/5
