

Tillamook County Community Advisory Council

Wednesday, October 14, 2020 3:00 -4:30 pm

Meeting called to order at 3:05pm by Chair. We did introductions; minutes and agenda approved. Voted in a new member.

Adventist presented a Large Grant project request, to increase access to behavioral health. Focus would be on helping people who are incarcerated to build a support network for when they are released.

Rinehart Clinic presented on a Learning Collaborative through the Oregon Primary Care Association. They are asking Social Determinants of Health questions as part of healthcare screenings, to determine needs. They have involved a team of medical assistants to build trust and meet the needs.

IA update: Joell shared COVID numbers and wildfire information. The COVID death toll this year has been higher than five years of influenza. A new OHA division called COVID Recovery and Response Unit will provide more focus. Oregon has had the first confirmed cases of influenza; flu shots are urged.

New business/Announcements: CCO has nominated a new Board member. CAC will meet in December. Member mentioned Lincoln County fires: many still displaced, and some at home without water and essentials. Some local social media pages will shift focus to help Lincoln County.

Meeting ended at 4:45pm. **Next meeting is November 11, 2020 from 3-4:30pm**
