

## *Tillamook County Community Advisory Council*

*Wednesday, November 11, 2020 3:00 -4:30 pm*

### **AGENDA ITEMS:**

Meeting called to order at 3:05pm by Chair. We did introductions and minutes and agenda approved.

**Health Equity Plan:** Heather presented a PowerPoint about the Health Equity Plan. Each CCO has to submit a Health Equity Plan to Oregon Health Authority in December. The current Health Equity Plan is a template and we will be building on it as we dive deeper into the work of creating better health equity in Tillamook County.

**Regional Health Improvement Plan Dashboard:** Heather presented the new RHIP Dashboard, which just went live on the CPCCO website.

**IA update:** There has been a major increase in COVID numbers, and the state of emergency is extended until January 2<sup>nd</sup>. The Governor has also ordered a two week pause (in nine counties) of activities and limitations in group gatherings, as a “wake-up call” to get the virus under control.

Discussed vaccines and school reopening guidelines.

**New business/Announcements:** Discussed flu vaccine incentives. DDA announced limited in-person meetings at Serenity Club; also a new veteran’s program that rolled out on November first. CAC member was interviewed in the Headlight-Herald for Tillamook County Wellness! Rapid COVID tests now available.

Meeting ended at 4:45pm. **Next meeting is December 9, 2020 from 3-4:30pm**
