Wednesday, November 1, 2023 1:00-3:00pm

## **AGENDA ITEMS:**

Meeting called to order at 1:05pm by Chair. Went through housekeeping slides for virtual meetings and interpretation.

### **CareOregon/SCAN:**

Chelsea Guest and Kathleen Case from OHA joined us to discuss the creation of HealthRight, which would combine CareOregon with SCAN group. They went over what the process is, what OHA's role is, and what that may look like. They are requesting feedback and questions from the CAC.

Reviewed minutes from last month and approved agenda and minutes, voted in our new member onto the CAC, pending Board approval. Welcome!

**CAC Learning Theme:** Teresa, Judy, and Heather presented about the Social Health Needs Benefit and Social Screening and Referral Metric. The Social Needs Screening and Referral Metric will incentive providers to screen members for social health needs and the Social Health Needs Benefit will create an opportunity to follow up with members who are experiencing qualifying life transitions and pay for things that are not typically addressed in the doctor's office, but are critical to being healthy.

**Regional Health Assessment Update:** Heather shared out the update on the Story Collection project. A workgroup got together and identified themes from the stories and we will be bringing this to the CAC and the community. Please invite folks to our February meeting which will be one of the places where this is presented!

**IA Update:** no update today due to OHA presentation. Please feel free to give any questions to Romy to pass along to Belle.

**Community Check-in:** Further discussion of the proposed formation of HealthRight. Discussion about the importance of follow up when working with people who are needing extra help, not just referring them and forgetting. Kudos were given to Marlene Putman and Mimi Haley, who listened to the community concerns about the pharmacy closure and acted on them. Discussion about applying for Medicare and that process, and MODA pulling out of the Oregon Coast.

Meeting ended at 3:05pm. **Next meeting is January 3<sup>rd</sup> from 1-3pm on Zoom.**
