

Tillamook County Community Advisory Council

Wednesday, April 12, 2017, 3:00 -5:00 pm

AGENDA ITEMS:

Chair opened the meeting at 3:02 and welcomed everyone. The committee approved the agenda, as well as the March minutes.

Incentive Funds Update, Opioid Summit

Heather White discussed the tobacco cessation project, which should be starting up at the end of May, after final approval. There will be 12 slots for participants, who may be referred directly to Heather. She also spoke about the OHP and You classes which are in the works. Kelly White is the contact for the upcoming Opioid Summit this Friday in Seaside and scholarships are available.

Community Education Sub-Committee Update

Romy shared that the committee is planning showings of Resilience in north and south county, and may partner with the school. She also spoke about upcoming trainings on resources for children in trauma, possible tobacco outreach, speakers for community presentations, and the need for volunteers to table at the Early Childhood Preschool Exams.

Early Learning Hub

Eva Manderson presented about the local Early Learning Hub, which provides services to very young children in our county.

Tillamook Community Health Update

Ari Wagner presented updated health statistics for Tillamook County. A link to the PowerPoint for the presentation is forthcoming.

The meeting adjourned at 4:55pm.

The next meeting is May 10, 2017, 3:00-5:00pm at Tillamook Bay Community College.
