## **AGENDA ITEMS:**

### **Regional Update**

Nancy shared that the board reviewed the process of bi-directional communication. The Regional CAC reps will be invited to the September board meeting. A summary of board minutes was provided.

### **Community Education Sub-Committee Update**

Members spoke about the showing of Resilience in Nehalem in June. We would also like to bring back the facilitator.

### **Discussion about Process**

We examined how we might use information gathered at the last meeting in going forward, ensuring that our member voices are heard, while not duplicating work already being done in other groups.

### **Incentive Funds Update**

Heather and Nancy presented about three efforts happening currently. The Circles of Security presenter is available the first week of October. Exercise Rx is an effort through the YMCA. Also a new partnership with OSU Extension office for a Community Health Worker program.

### **Legislative Update**

This item was added to the agenda. Joell provided us with some updates that affect health statewide from the most recent legislative session.

### **Huckleberry Health Fair**

This was also an addition to the agenda. We are seeking feedback on decorating our HHF booth (8/9-10), and also for volunteers. Contact Romy to volunteer.

The meeting adjourned at 4:52pm. The next meeting is September 13, 2017, 3:00-5:00pm at Tillamook Bay Community College. There is no August meeting due to the Tillamook County Fair. See you at the Fair!
