

Clatsop County Community Advisory Council Minutes

Tuesday, May 7, 2019, 5:00-7:00 pm

AGENDA ITEMS:

Chair called meeting to order at 5:04. Agenda and April minutes approved, and brief introductions. We briefly reviewed the new agenda template and we will try it to see how it works.

CAC Conference:

Debriefed March's CAC conference. We will add an agenda item at the end of each month for new business. We deferred CHA/CCO 2.0 discussion to the June meeting; request to review the CHIP before it goes to the Regional CAC.

Partnership: The CCO wishes to hear from each CAC about what it means to be a partner, and defining needs of partners. Discussion and feedback will be incorporated into CCO 2.0 work.

Joell Archibald presented IA Update, with links, as well as OHA website info. We discussed the selection for CCOs and the RFA process. We will have more info from the OHA in mid-July.

Social Determinants of Health: We reviewed a list of SDoH, along with national, state, and local stats. The group settled on housing as a focus area. The OHA Medicaid Advisory Committee will meet on 5/22 to finalize expectations of CCO's around housing, and create a guidance document. We will define the local impact of homelessness, and the need, and do some resource mapping.

County Health Rankings: We reviewed the County Health Rankings website. We viewed strategies used by other communities and side by side comparisons of Clatsop with demographically similar communities. Housing came up as a strong focus for the group.

Meeting adjourned at 7:03pm.

Next Meeting: **Tuesday, June 4, 2019 at the Seaside CPCCO Office, 5-7pm**
