

## *Clatsop County Community Advisory Council Minutes*

*Tuesday, June 8, 2021, 5:00-7:00 pm*

**Meeting** was called to order at 5:03. Approved the minutes and agenda.

**Equity Learning Theme:** Brooke reviewed health data, with an emphasis on COVID vaccines and chronic health conditions.

**RHIP Annual Update review:** Nancy and Brooke presented the final draft of the annual RHIP report to the group.

**Annual Update review:** Nancy and Brooke gave us an overview of the information that we are sharing with OHA as part of our annual report on the Regional Health Improvement Plan (RHIP). We will continue to seek feedback from the CACs as we update OHA on the work.

**IA Update:** COVID: we appear to be at the end of the 4<sup>th</sup> surge. The OHA Director states we have two pandemics: one that is diminishing as more people get vaccinated, and one that is raging through unvaccinated people. Oregon case counts have decreased for four straight weeks, largely due to the vaccine; we are the third lowest state in cases and fifth lowest in deaths.

**Community Check-In:** CWIF applications open on June 16<sup>th</sup>. Starting in July our CAC meetings will be via Zoom.

Meeting adjourned at 6:30pm.
