Smile!

You've got dental coverage

Good health includes healthy teeth and gums

Taking care of your teeth and gums is an important way to take care of your overall health. That's why your Columbia Pacific CCO and Oregon Health Plan (OHP) benefits include dental coverage.

Dental care for adults and children

Most of our dental benefits apply to members of all ages. Members who are age 0 to 20 years old, or pregnant, get *extra* benefits.

Need help getting to a dental appointment?

As a Columbia Pacific CCO member, you can get assistance with transportation to a dental appointment if you cannot get there on your own. Depending on your needs, you may get transit passes, be provided rides or get help paying for gas. Whatever the assistance, there's no cost to you.

This service is offered through a partner, NW Rides.

Details: nwconnector.org/nw-rides or call 503-861-0657 or toll-free 888-793-0439; TTY 711

Emergency or urgent dental care

Don't wait until you have an emergency — make regular trips to a dentist before urgent issues arise. If you need emergency or urgent dental care, it's covered. Always try to call your dentist or dental health plan before going to the emergency room, even if it's at night or on the weekend. A health care provider will help you decide what to do.

Specialty dental care

At times, your dentist may decide you need specialty dental care. Often it is covered only if you get a dentist's referral and pre-approval from your dental plan. Your dental plan can help you with this.

Great dental health includes a yearly check-up

Even if you have no teeth, the dentist will:

- Look for signs of oral cancer
- Check your dentures' health, or discuss dentures

Your dental benefits

Exams, X-rays and cleanings

Sealants

(protective coating for molars; members 15 years old and under)

Fluoride treatments

Deep cleaning for gum disease

Fillings

Crowns (limited)

Tooth removal

Partial dentures, generally every five years

Full dentures, generally every 10 years

Root canals (limited)

Braces for members 20 and under (very limited)

Note: Some benefits have limits or need pre-approval from your dental plan. Questions? Ask your dentist. Or contact your dental plan. The phone number is on your Member ID card and the back of this brochure.

Seeing your dentist once a year is a great way to take care of yourself

Dental check-ups and good at-home care (brushing and flossing) will help you avoid gum disease.

Gum disease is the most common cause of tooth loss in adults. We care about your teeth and gums!
