

Tillamook County Community Advisory Council

Wednesday, June 14, 2017, 3:00 -5:00 pm

AGENDA ITEMS:

Co-Chair opened the meeting at 3:06. Council approved the agenda, May minutes.

Regional/CWIF Update

All of the applications for CWIF funds were approved. Helping Hands withdrew theirs to pursue a different funding stream through the CCO. There are additional opportunities for local programs to apply for funding.

Incentive Funds Update

Heather is working on two projects, in addition to tobacco cessation work. She's writing a proposal to bring a trauma-informed parenting presenter to the area, in partnership with the Community Ed Sub-Committee. She is working with the YMCA on a project to enhance services to kids.

Community Education Sub-Committee Update

Member spoke about the Circle of Security Parenting presenter. There will be a one-day session in the fall, more details coming soon. We are also showing the movie Resilience on June 20, as well as tabling at the Huckleberry Health Fair on August 9-10. Contact Romy to volunteer.

Membership Update

Welcomed new member to the CAC!

Info Gathering

The group focused on three social determinants of health: access to education, healthcare, and physical activity. See attached for results.

OSU Extension Office

Jessica Linnell presented about services available through the extension office, particularly around nutrition.

The meeting adjourned at 4:55pm. The next meeting is July 12, 2017, 3:00-5:00pm at Tillamook Bay Community College.
