Diabetes mellitus

Initial Criteria		If yes	If no
1.	Does the member have a diagnosis of diabetes mellitus?	Continue to #2.	Do not approve.
2.	Is it medically safe and appropriate for a U500 product? This edit is bypassable by dispensing pharmacy with proper verification of U500 selection to ensure appropriate product selection. In most situations, total insulin usage should be 200 units or greater.	Continue to #3.	Do not approve. Not medically appropriate.
3.	Approve for lifetime.
