

Flu vaccine resources for CareOregon members Reminder to get flu vaccines before the end of the year!

Wellness is rewarding! Prevention is especially important for our members' health. It's not just a **free flu shot** – it's protection for our members, their families, and our communities. That's why our health plan will load **\$25 on the CareCard** for our Medicare Members when they get vaccinated or **\$15 on a gift card** for our Medicaid members when they get vaccinated.

Getting a flu shot is **beneficial for everyone**, but especially important for the **following populations**:

- Pregnant members with a due date after 11/01
- Members 65+ with Medicaid as their primary
- Members 18-64 with the following conditions:
 - Asthma
 - Chronic Obstructive Pulmonary Disease
 - Diabetes
 - Chronic Kidney Disease
 - Coronary Artery Disease
 - Congestive Heart Failure

Here are the locations (**both pharmacies and clinics**) to get flu vaccines!

County	Pharmacies	Address/Phone number/Link
